11-12 June 2026 Muang Thong Thani, Bangkok, THAILAND.

FIAC 2026: Poster Presentation Guidelines

1. Technical Specifications

Dimensions: A0 size (0.80 m width x 1.20 m height).

Orientation: Strictly Portrait.

Language: All content must be in English.

Readability: Use large fonts. All text, including captions, must be clearly legible from a distance of 2 meters.

2. Content & Structure

Present your research in a logical sequence using clear headings and subheadings. Your poster must align with the material submitted in your accepted abstract.

Header: Include the full paper title and all contributing authors at the top.

Core Sections:

- Brief Introduction & Goals
- Experimental Details / Methodology
- Conclusions
- References

Visuals: Provide a concise explanation or caption for every graph, image, and table used.

3. On-Site Instructions

Mounting: Use only the double-sided adhesive tape ***provided at the registration desk.***

Location: Mount your poster on the board specifically assigned to your code. Posters are grouped by division.

Schedule: Posters will be displayed for two days. Please refer to the conference program.

Setup & Removal: Setup & Removal: Presenters are welcome to register and set up their posters during the designated times, which will be announced at a later date. All posters must be removed at the end of the day of their presentation.

Note: Any posters remaining after the official takedown time will be removed and disposed of by the organizers.
